

NOTICE OF A CITIZENS INFORMATIONAL WORKSHOP FOR
PROPOSED DETOURS DURING REHABILITATION OF SEVERAL BRIDGES
(BEGINNING IN SPRING 2011) LOCATED ON INTERSTATE 240
IN WEST ASHEVILLE

TIP Project No. B-5179 B & C

WBS No. 45066.1.1

Buncombe County

The North Carolina Department of Transportation (NCDOT) will hold a public meeting, known as a Citizens Informational Workshop, for the above mentioned bridge(s) rehabilitation projects, on Tuesday, November 9, 2010, beginning at 4:00 pm and ending at 7:00 pm. This public meeting will be held at the Asheville Area Chamber of Commerce, Visitors Center (2nd floor Board Room), located at 36 Montford Avenue, Asheville, 28801.

The purpose of this Citizens Informational Workshop is to provide information regarding the proposed work involved in rehabilitating aging bridge decks along Interstate 240 (I-240) in West Asheville. This work will require the closure of a portion of I-240 for several weekends tentatively scheduled to begin in April 2011, and to continue for several months. The purpose of this workshop is to allow the public to familiarize themselves with the detour routes planned during the bridge(s) rehabilitation work.

Interested citizens may drop by anytime between the hours of 4:00 pm and 7:00 pm and view the project maps on display. NCDOT representatives will be available in an informal setting to answer questions and receive comments relative to the proposed project. The opportunity to submit written comments or questions will also be provided and is encouraged. Please note: there will be no formal presentation.

Anyone desiring additional information may contact Cole Hood, P.E; Resident Engineer, by telephone (828) 298-0080 or email: chood@ncdot.gov.

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who wish to participate in this workshop. Anyone requiring special services should contact Mr. Hood as early as possible so that arrangements can be made.
